8.5 Third-Party Liability. Portions of the Software may be derived from or incorporate third-party software and no such third party warrants the Software, assumes any liability in connection with the Software or undertakes to furnish any support or information relating to the Software. All such third parties are intended third-party beneficiaries of this Agreement.

At any time during the term of this Agreement, each party shall have the right to terminate this Agreement immediately and without further obligation or liability hereunder if the other party breaches any material term of this Agreement and fails to remedy such breach within thirty (30) days after written notice by the non-breaching party of such breach.

9.3 Rights and Obligations Upon Termination. Upon expiration or termination of this Agreement, all rights granted to Licensee hereunder shall cease and Licensee shall promptly purge all copies of the Software or any portion thereof from all machines and/or other computer storage devices or media on which Licensee has placed such Software. The provisions of Sections 2.4, 4.4, 4.5, 5, 7, 8, 9 and 10 of this Agreement shall survive any termination or expiration of this Agreement.

10.1 Entire Agreement. This Agreement and the applicable Order sets forth the entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes and merges all prior oral and written agreements, discussions and understandings between the parties with respect to the subject matter hereof, and neither of the parties shall be bound by any conditions, inducements or representations other than as expressly provided for in this Agreement; provided, however, that this Agreement shall not supersede the terms of any signed license agreement between Licensee and FSINC relating to the Software (a "Signed Agreement"). In the event of any conflict between this Agreement and a Signed Agreement, the terms of the Signed Agreement shall prevail. In the event of any conflict between this Agreement and an Order, the terms of the Order shall prevail.

10.2 Government End-Users. Each of the components that constitute Software and its related documentation is a "commercial item" as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Neither party is an agent or representative of the other party and neither party shall have any right, power or authority to enter into any agreement for or on behalf of, or incur any obligation or liability, or otherwise bind, the other party. The Agreement shall not be interpreted or construed to create an association, agency, joint

venture or partnership between the parties or to impose any liability attributable to such a relationship upon either party.

10.6 Notices. All notices under this Agreement will be in writing, and will be deemed given when personally delivered, when sent by confirmed fax, prepaid certified or registered U.S. mail, return receipt requested, or a recognized delivery service to the address of the party to the address set forth above, or to such other address as such party last provided to the other by written notice.

10.9 Severability. If any provision of this Agreement is invalid or unenforceable for any reason in any jurisdiction, such provision shall be construed to have been adjusted to the minimum extent necessary to cure such invalidity or unenforceability. The invalidity or unenforceability of one or more of the provisions contained in this Agreement shall not have the effect of rendering any such provision invalid or unenforceable in any other case, circumstance or jurisdiction, or of rendering any other provisions of this Agreement invalid or unenforceable whatsoever.

10.10 Waiver. No waiver of any provision of this Agreement, or any rights or obligations of either party under this Agreement, shall be effective, except pursuant to a written instrument signed by the party or parties waiving compliance, and any such waiver shall be effective only in the specific instance and for the specific purpose stated in such writing. The failure of either party to require the performance of any term of this Agreement or the waiver of either party of any breach under this Agreement shall not operate or be construed as a waiver of any other provision hereof, nor shall it be construed as a waiver of any subsequent breach by the other party hereto.

10.11 Governing Law. The laws of the Commonwealth of Massachusetts shall govern this Agreement, without giving effect to applicable conflict of laws provisions or to the United Nations Convention on Contracts for the International Sale of Goods.

10.12 Jurisdiction. The parties agree that the jurisdiction and venue of any action with respect to this Agreement shall be in a court of competent subject matter jurisdiction located in the Commonwealth of Massachusetts, and each of the parties hereby agrees to submit itself to the exclusive jurisdiction and venue of such courts for the purpose of any such action.

10.13 Equitable Relief. The covenants of Licensee in Section 2 and Section 4 hereof are of a special and unique character, and Licensee acknowledges that money damages alone will not reasonably or adequately compensate FSINC for any breach of such covenants. Therefore, FSINC and Licensee expressly agree that in the event of the breach or threatened breach of any such covenants, in addition to other rights or remedies which FSINC may have, at law, in equity, or otherwise, FSINC shall be entitled to injunctive or other equitable relief compelling specific performance of, and other compliance with, the terms of such Sections.

The obligations and rights so excused shall be extended on a day to day basis for the period of time equal to that of the underlying cause of the delay.

10.16 Remedies. No remedy referred to in this Agreement is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to herein or otherwise available at law, in equity or otherwise.

10.17 Construction. The section and paragraph headings used in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require. Unless otherwise expressly provided, the word "including" does not limit the preceding words or terms. Both parties acknowledge that they have been represented by counsel in the negotiation of this Agreement, and hereby waive any canon of construction that would require any portion of this Agreement to be construed against the drafter thereof.
